Do you ever stop and think about how much influence the people around you have on you? When growing up, it matters little what our parents say and supremely what they do. Kids naturally try to act like their parents. Also, as kids, teens and even adults we are always trying to imitate those around us so as to be accepted. In our areas of life, we also try to be like others so we can be accepted, praised or move up the ladder in the business world.

But do you ever think about the negative or positive attitudes of those around you? Do you realize the awesome impact (negative or positive) they have on you? Look with me at Numbers 13:30-31:

Then Caleb quieted the people before Moses, and said, "Let us go up at once and take possession, for we are well able to overcome it." ³¹ But the men who had gone up with him said, "We are not able to go up against the people, for they are stronger than we."

Two attitudes, one positive, the other negative. One following God's orders, the other denying to follow them.

The children of Israel missed God's blessings. Why? They allowed negativism to sway their decision away from God's Will while Joshua and Caleb attempted to show them God's Will. The result, they missed God's Promised Land.

God says we are to be imitators of Him. We are to make sure we please Him regardless of who we displease here on earth. Don't miss God's promises for you because of a negative spirit rooted in unbelief, doubt and fear. God is still on His throne! He's still in control! Nothing can overcome us, no one can defeat us, nothing can separate us from His love. Take a few moments, read Romans 8:31-39, then try to be negative! There is simply no way!

Prepare now for revival. Pray. Witness. Study. Look to God for guidance. Pray for the list of those you will invite. Come to services expecting God to do miraculous things. Stay away from negative people!

Yours In Christ,

Bro. Phil
